OPENING YOUR KALI DUO BED

Kali Duo Bed

Remove the sofa cushions. Locate the levers on either side of the beds.

Gently **pull the beds down** into their locked, horizontal positions.

- Raise the upper padded barriers and bottom headboard, making sure all of the upper barriers lock in place.
- Ensure that both the upper and lower beds are open and locked in horizontal position.

Position the ladder at the metal slots on each bed frame.

Gently tilt the ladder away from the structure, inserting the lower hooks into the slots on the lower bed frame (detail A).

Straighten the ladder upright and insert the upper hooks into the slots on the upper bed frame (detail B).

Pull the ladder straight down, ensuring that both the upper and lower mechanisms are locked securely.

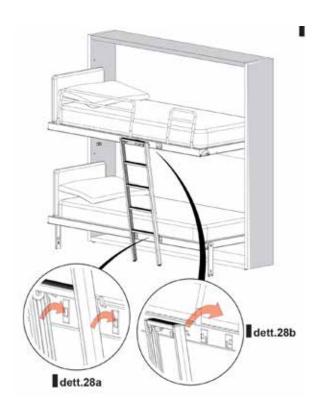

The ladder must be locked in place if the upper bunk is open.

See you in the morning!

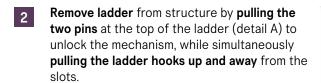

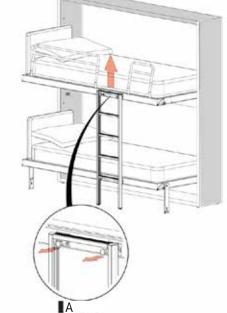

Remove bed pillows and tuck bedding in on all sides around and under the mattress

Latch both mattress straps over the bedding.

- You must fold down the barriers and bottom headboard in order to close the bed frame into the structure.
- Starting with the barriers on the long side of the bed, **push the button** as shown below to disengage the lock and **fold the barriers down** on to the mattress.

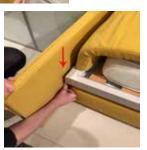

Close the barriers at the head and the foot of the bed using the same method.

Remove bed pillows and tuck bedding in on all sides around and under the mattress

Latch both mattress straps over the bedding.

Release the latch on either side of the bed with one hand, and **lift the bed** up into its upright position with the other hand.

Just one more thing:
You can stand on principle,
but never stand on the sofa!
