SPECS

Material and Color Options

Powder Coated Base & Worksurface Combinations

Powder-Coated Paint: Powder-coat finish material that is smooth, even, and resilient, resisting common wear and tear like scratches and damage from both moisture and sunlight.

Cloud White | Stone Gray | Forest Green | Slate Blue | Garnet Burgundy | Carbon Black

Natural Linoleum: A naturally durable surface made from bio-based materials, offering wear resistance, antistatic properties, and a matte finish that minimizes fingerprints while maintaining a refined aesthetic.

Vapor Gray + Cloud White Base | Stone Gray | Forest Green | Slate Blue | Garnet Burgundy | Carbon Black

Bamboo: Surface material that is durable and eco-friendly, combining natural beauty and practical functionality.

Bamboo + Cloud White Base | Bamboo + Carbon Black Base
