

SAFELY OPERATING YOUR

Oslo Sofa Wall Bed

OPENING YOUR OSLO SOFA WALL BED

- 1 Clear the sofa of any pillows or throws.**
You may store them in the Oslo's hidden under-seat storage compartment.
 - 2 If you've paired your Oslo Sofa with a Dynamic height-adjustable table,** press the lever located under the tabletop and push down to lower the table.
 - 3 Grasp the handle** located under the shelf and pull with one hand while supporting the bed frame with the other as you walk backwards, allowing the bed frame to slowly descend under your control.
- ! Make sure to support the bed frame for the entire descent until the shelf is firmly resting on the floor.**
- 4 Release the two mattress straps** by squeezing the center of the clasp.
Tuck the straps under the mattress
 - 5 See you in the morning!**

SAFELY OPERATING YOUR OSLO SOFA BED

CLOSING YOUR OSLO SOFA WALL BED

- 6** Remove **bed pillows** and tuck bedding in on all sides around and under the mattress.

Latch both mattress straps over the bedding.

- 7** Stand in the **middle of the bed**, grasp front edge of the bed frame and lift.

Continue to lift the bed frame as you walk forward towards the wall. Push the bed frame into the structure until the bed frame is completely vertical.

- 8** Have a great day!

Oslo Sofa is one of over 60 bed systems designed and made in Italy by Clei, the global leader in transforming furniture design and manufacturing for more than 50 years.

We know you'll be very happy together - Ciao!

! Just one more thing: You can stand on principle, but never stand on the sofa!
